

Woman Within Authenticity Workshop

Turn your intentions into actions

**What is the
Woman Within®
Authenticity
Workshop?**

This 1.5-day workshop uses the metaphor of Alice in Wonderland to help you envision the life you want at work, at home and in your relationships. You'll learn about real tools that can help you get there intentionally, step by step. This enlightening, motivating workshop will help you live from your *centre* rather than the *edge*.

What will I get from it?

- Set clear goals for the life you want
- Recognize the parts of your life that aren't in alignment with your goals and intentions
- Gain the insight to get out of your own way
- Work through concrete steps to achieve sustainable change
