

Woman Within Wholeness Workshop

Formerly Woman Within Level 2: Archetypes of the Castle

**What is the
Woman Within®
Wholeness
Workshop?**

This advanced 5-day course uses the metaphor of the castle to help you explore the nine archetypal energies in your life (shadow, infant, child, adolescent, lover, mother, warrior, crone, queen) through a series of presentations and discussions. Sessions are followed by an experiential process relating to each archetype led by Woman Within Weekend Leaders, Facilitators and Facilitators-in-Training. If you're ready to create and give voice to your mission in life, you'll love this inspiring and meaningful workshop.

**What will I get from
it?**

- Recognise both the dominant and submissive parts of yourself
- Make the choice to use all of the power of who you are
- Learn more about each of the nine basic archetypes, how your behaviour relates to them and how you can use them positively in your life

Who can attend?

Completion of the Woman Within Weekend is required to attend. This workshop is a prerequisite for women to join the Woman Within Facilitation and Leadership Tracks. For women over 18 years old.

Who will lead it?

Char Tosi, creator and founder of Woman Within and Woman Within Weekend Leaders Monica Robinson and Esther Robertson; plus 3-4 presenter/facilitators will assist.

When and where?

- April 2017
